Dear Mr. McConville:

I would like to commend you and your company for the fine work you performed recently on the Franklin Elementary School roof. Your employees were professional and possessed excellent technical skills, and the re-roofing project was completed very satisfactorily and swiftly. It is wonderful to do business with a responsible company that takes pride in its work, and I wanted to take a moment to recognize that. Thank you for a job well done.

Sincerely,

Richard L. Matters,
First Selectman
