Performance Appreciation

Dear John,

I write to reiterate my gratitude to and admiration for the performance of your Company especially, Bill Gonsalves. The fact that he has communicated with us and produced work in the field in record time is in itself the strongest commendation I can give you. To date, it has been indeed a pleasure working with Bill and your Company. You guys are definitely a first class act!

Please do hesitate to call me for any reason.

Very truly yours,
The Fusco Corporation
