Mr. John Morrissey
Silktown Roofing, Inc.
151 Water Street
Derby, CT 06418

Dear John,

I would once again like to thank Silktown Roofing for completing another successful roofing project for the Darien Public Schools. Just as with last year's Royle School re-roofing project, this summer's Ox Ridge School re-roofing project was a tremendous success. Your crew was extremely cooperative and courteous and exhibited great care and pride in completing their work. The true measure of a successful project is to have it completed on-time and on-budget with no change orders or issues between the Owner and the Contractor – and that was certainly the case with the Ox Ridge project.

Silktown has now completed four major roofing projects for the Darien Public Schools within the past few years and each has been a success. Therefore, please do not hesitate to use me as a reference for any future projects that you might pursue.

Respectfully,

Paul T. Engemann
Director of Facilities, Construction & Operations
